

## Mrs. Norm Jedele Appointed Chairman of Polio Campaign

### Drive Starts Immediately in Antioch, Lake Villa Townships

Mrs. Norman Jedele of Tiffany rd. has been appointed chairman of the polio fund drive in the Antioch area.

She will be aided by Mesdames Wendell Nelson and Raymond B. Bruhn of Antioch and Mrs. Henry Kapell of Channel Lake.

Mrs. Jedele called for volunteers to serve in the Mothers March of Dimes on January 30, and said she would be pleased to be notified by the women by telephone at their earliest convenience.

Receptacles for voluntary contributions were placed in business places in Antioch and surrounding community Tuesday.

While medical discovery has polio on the run, Lake County had approximately 50 cases this year. Not only these but others stricken over the past years still are under treatment, and this calls for funds.

The campaign to raise money for the Foundation that cares for polio victims will last throughout this month.

#### Lake Villa Chairman

Mrs. John Romer of Lake Villa has been named chairman of the campaign in Lake Villa township. She is setting up her organization, too.

## Two Injured Sunday in Head-On Car Crash

Ray Slaughter, 62, of near Antioch, suffered a fractured hip and Casimer Zelewski, 25, also of rural Antioch suffered a possible skull fracture at 6:30 a. m. Sunday when their cars collided at Rte. 173 near Rte. 21.

Deputy sheriffs said that Zelewski told them his car went off the shoulder and when he drove back on again it shot over on the opposite lane colliding head-on with the car driven by Slaughter.

Zelewski was arrested for reckless driving and having no driver's license.

Both men were taken to an Antioch physician by the Antioch Rescue squad and then removed to Victory Memorial hospital.

## Winfred M. Thompson, 78, Dies at Evanston Rest Home

Mrs. Winfred Martin Thompson, 78, 4353 North Paulina street, Evanston, died Saturday, December 31, at 3:30 p. m. at an Evanston Rest Home, following a lingering illness. She was born June 4, 1877 at Rochester, Mich., moving to Chicago where she lived for 55 years before moving to Evanston 19 years ago.

Survivors are a son, Howard Martin of Lake Villa, two daughters, Mrs. Marion Hall of Chicago and Mrs. Flora Wolters of Evanston, four grandchildren and one great-grandchild.

Funeral services were held at the Strang funeral home with Dr. Melvin Pearce of Evanston officiating. Interment was in Sand Lake cemetery at Lake Villa.

## B. N. Osmond Acquires W. J. Gavigan Agency

It was announced by Bernard N. Osmond, local insurance and real estate broker, that he has acquired the William J. Gavigan Insurance agency of Waukegan.

Osmond indicated the combined facilities of the two agencies will insure quick and competent handling of all business at the lowest possible cost, consistent with sound protection.

All business will be conducted from the office of the Osmond Insurance Service, Rts. 59 & 173, in Antioch.

#### Girls Basketball at Central

The Pure Milk Coed of Chicago and the Real Refrigeration Girls team of Milwaukee will clash at the Central High School gym, Salem, Wis., at 8:15 p. m. Saturday, Jan. 14. Both amateur basketball teams have a good record. The game will be played according to men's rules. A preliminary between the graded schools of the Central High School district will start at 7:30.

The public is invited to see top performance of girls' basketball. The event is sponsored by the Central High School Community Club for student awards and achievements. Tickets are available at the high school.

Mrs. Mollie Somerville returned home Sunday after several weeks stay with relatives in Chicago.

## Weather for 1955 Provided More Heat and Less Rainfall

From 12 degrees below zero on January 27 to 99 degrees above seven months later on July 27 were the two extremes in weather during 1955 in Antioch.

Temperatures were above normal last year, but not as much as the year before. There were 32 days with temperatures 90 degrees or above and 12 days with zero or below.

Twenty-two inches of snow fell, and it with 24.97 inches of rain brought the total precipitation for the year to 27 inches which is slightly under normal.

December helped to make the rainfall deficiency. There was only .85 inch of precipitation last month and of this 2 inches of snow accounted for about .20 inch of water.

The warmest day in December was 53 degrees on the 24th and the coldest, 4 degrees below zero on the 19th.

## Board Buys Squad Car, Orders More Lights, Seeks New Employee

The village board awarded a contract to the Drije Chevrolet Co. for the purchase of an Oldsmobile four-door sedan to be outfitted as a patrol car.

The board chose the heavier car at a somewhat greater cost in preference to the Chevrolet offered by the same company and a Ford offered by Carlson Ford Sales.

Prices offered were for the Oldsmobile \$3,093.25 with \$1,000 trade-in value on the Nash car now in use for a net of \$2,344; for the Ford \$2,505.94 with a trade-in of the Nash for \$615.94 or a net of \$1,880; and the Chevrolet, \$2,389.94, with a trade-in for the Nash of \$700, for a net of \$1,689.94, but with additional accessories, \$1,940.04.

The board felt that a heavier car was more advantageous for safety reasons.

In other business the board increased the wages of Ted Maplethorpe, assistant sewage plant superintendent and patrolman, \$10 a week, and authorized Supt. Walter I. Scott to hire a laborer to help with the sewer and street work. There were three applicants.

The board awarded the village employees their usual \$100 bonus at Christmas time, a custom of long standing.

New street lights are to be installed at the entrance to Oakwood Knolls on North Ave., and at Ida ave. and Abita st. east of the Soo Line. The Public Service Co. has replaced a light at Main and Depot st. with a 14-foot arm which will identify the intersection better.

With sales tax coming in, the general fund of the village reached \$12,305.72 according to the report of the village treasurer, Mrs. Martha Hunter. There is \$8,074.54 in the motor fuel tax fund. An additional \$1,800 has been allocated for snow removal, but if the weather doesn't change it will not be needed.

Costs are going up, the trustees discover at every meeting. Tuesday night they were informed that the dues of the Illinois Municipal League for Antioch have advanced from \$40 to \$48. This will mean that more villages will drop out and then the costs will be still higher.

Mrs. Pearl Kapell of Lake Villa will share with 27 other contestants in the \$5,000 prize awarded in the Little Fooler contest last week by the Chicago Tribune. She will get about \$185.

## There'll Be Fire, Fun and Frustration at the Red Head Girl-Boy Basketball Game Monday

As one man said, "Ever since women won the right to vote they have been hard to deal with," and that goes for the game of the All-American Red Heads, a girls team which will play the Antioch Scouts in a benefit performance at the high school Monday night.

The local boys, although they were stars when they played on the Antioch High school championship team last year and the year before, will find this quite right when they face the internationally famous team of women. They will have to play ball to beat these six-footers. The Red Heads spark their regular prowess and finesse with antics, zanies, and stunts designed to amuse the fans and confuse the opposition. They play men's rules.

They will stage their piggy-back play, basketball's only double play, famous low bridge play, La Conga, Merry-go-round, famous mule train out of bounds play, phantom ball warm up, and the camel walk dribble.

## Building in Antioch Near Three-Quarter Million During 1955

### Fifty-four New Residences Are Constructed—Two Office Buildings

Antioch's building program for 1955 had nearly three-quarters of a million dollars of valuation, figures produced from building permits by Village Clerk Clarence Shultis show.

Fifty-four new residences were built at a total estimated cost of \$477,867. The largest single item was permit for the new Jewel Tea Co. supermarket now under construction which has a valuation of \$85,000.

Other permits and their total valuation were:

Two gasoline service stations, \$33,900; two office buildings, \$26,995; 14 private garages, \$21,053; one factory, \$40,995; nine alterations to residences, \$30,111; and five alterations to other buildings, \$54,300. The grand total was \$770,271.

While a number of the new homes were in the Oakwood Knolls subdivision, there were many others in the western part of the village or scattered about in other built up areas.

The summary shows that Antioch is having a balanced growth, business and industry keeping the same pace as residential growth.

## Continuation of Alpine as Lutheran Camp is Unopposed at Hearing

No opposition appeared at the hearing before the Lake County Zoning Board of Appeals here yesterday afternoon on the special zoning of the Alpine Camp purchased by Illinois Synod of the United Lutheran church for use as a girls camp. The zoning board will make its recommendations to the Board of Supervisors later.

The church organization recently negotiated the purchase of the camp from Miss Sah Hansen for \$55,000. The camp has been operated by Miss Hansen in recent years for Jewish girls of the Chicago area, and its sale necessitates a special permit for continued operation by new owners.

The Rev. Luther C. Mueller, secretary of the synod, testified that the camp would be used during the summer for the religious training of children from the fourth grade to the second year of high school. Adults would be there over a two-week period and they would comprise church school teachers taking training for their work.

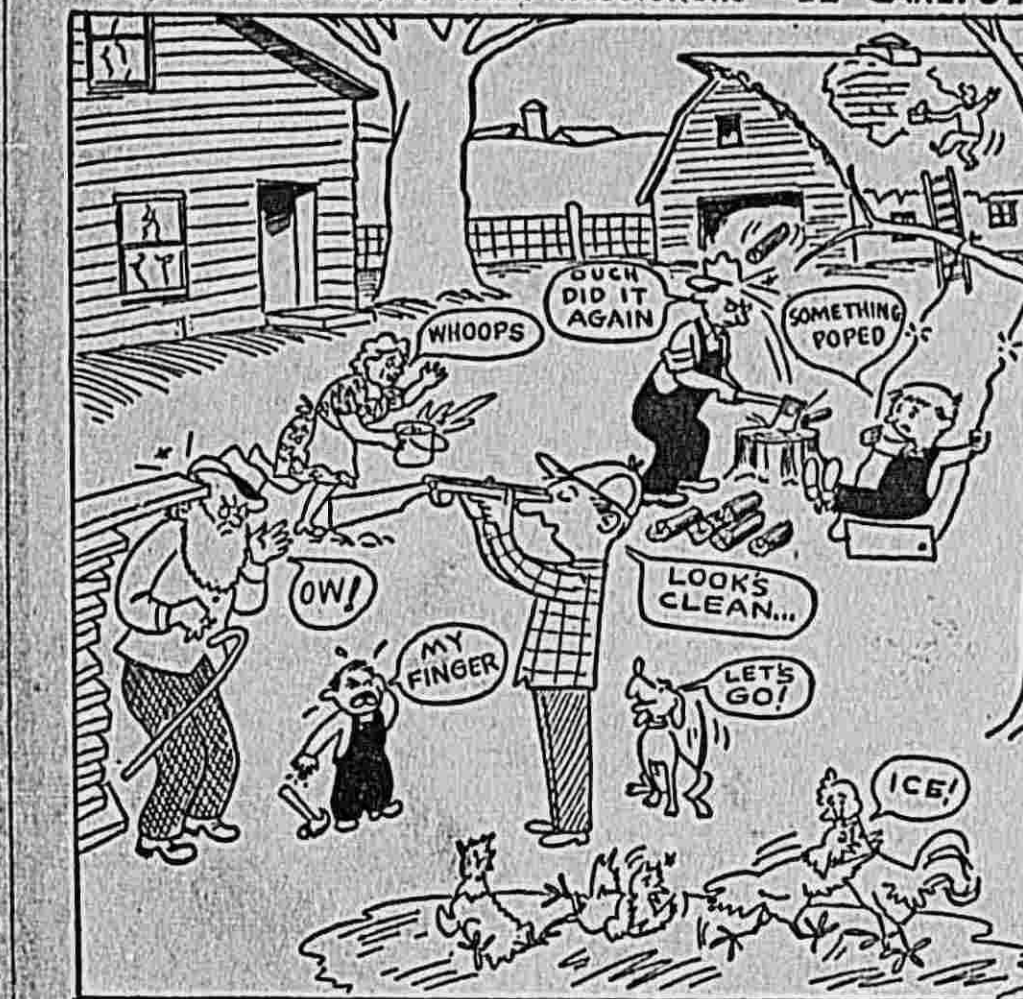

Attorneys for the synod were Sidney Block of Waukegan and Gunnar Jensenius of Chicago.

The camp is situated south of Rte. 173 on the west side of Fox river, with an entrance through the James rd. The 120 acres and 13 buildings are on what was one time the James farm.

Persons residing in the neighborhood of the camp testified that the continuation of the place as a camp has their approval. Opposition to the removal of the camp from taxation as a church property did not materialize as was expected.

In the earlier hearing there was no opposition to Mr. and Mrs. Joseph Lupa placing a large sign off Grass Lake rd. leading to their resort at Bluff lake. A previous sign was destroyed by wind.

## Don't Break More Than Resolutions -BE CAREFUL

## Illinois Commerce Commission Ignores Village In Hearing Request on Shopper Fare Bus Plan

### Postoffice Business Fulfills Wish for a Prosperous Year '55

Business at the Antioch post office was 11 per cent greater in 1955 than in 1954, Postmaster Roy Kufalk announced.

"We had receipts in excess of \$62,000 he said.

During the quarter ending December 31, cancellation and sales were 14 per cent more than the same three months last year.

The highest cancellation during the Christmas rush was 31,700 on Saturday, Dec. 17, which was 6,000 more than the high for December 1954, Kufalk said.

This indicates a prosperous year which Christmas and New Year wished for.

## William F. O'Donnell, 66, Dies After Heart Attack

William F. O'Donnell, 66, proprietor of O'Donnell Sunset Lodge, at Grass Lake, passed away December 31 at 10:30 p. m. at the Illinois Masonic hospital, Chicago of a heart attack.

He is survived by his wife Daisy, a daughter, Mrs. Florence Schuene-man of McHenry, two brothers, Walter and George, both of Chicago.

Funeral services were held at 9:30 Wednesday at the Scanlon Funeral home, 2907 N. Clark st., and from there to the Holy Name Cathedral. Interment was in St. Joseph cemetery, Chicago.

## Fred C. Nielsen, 81, Dies After Brief Illness

Fred C. Nielsen, 81, Loon Lake, Antioch, died Friday at 5:30 a. m. at his home on the north shore of Loon lake after a brief illness.

Mr. Nielsen was born September 5, 1874 at Aabenraa, Denmark. He came to America at the age of 18, settling in Chicago and lived there until coming to Loon Lake five years ago.

He was a member of the Jackson Blvd. Christian church. He was a retired maintenance man of Chicago Molded Products company.

Survivors are his wife, Mary, a son Walter of Chicago, a daughter, Alice McMahon of Chicago, a brother, Christian of Denmark, and a sister, Ida, in Germany.

Funeral services were held at 1 p. m. Monday at 124 Madison st., Oak Park. Interment was in Forest Home cemetery, Forest Park.

#### C. of C. Postpones Banquet

Because of conflicting events the annual banquet of the Chamber of Commerce has been postponed to a later date.

During the meeting Monday at the Smart Country House, discussion was given mainly to plans for the benefit basketball game Monday night at the high school when Olson's Red Heads, a world champion woman's team will play the Antioch Scouts, a team made up of Antioch Township High school stars of former years.

Profits from this event will be used to pay the cost of a display booth at the National Sports Show in Chicago where the Antioch area will be advertised as an ideal recreation place.

When a humidifier on the furnace at the village hall burst Monday, it caused steam and dirt to cover the walls of the village board room and the clerk's office. A cleaning job will be necessary. Insurance may cover the cost.

This village was denied its request for a hearing in the petition of Waukegan merchants before the Illinois Commerce Commission to operate a weekly shoppers bus service between Antioch and Waukegan on a fare basis.

The commission has granted the Waukegan merchants the right to operate the bus on a 90-day trial basis. The one-way fare will be 55c and the Waukegan merchants will pay for the return trip if there is a sales slip. If not the return trip will also be 55c.

The action of the Illinois Commerce Commission appeared unprecedented so far as bus service in this area is concerned. When private bus companies wanted to operate buses into Antioch the village always has been notified and given opportunity to approve or protest.

This time, the village along with other Lake County villages concerned, were entirely ignored and the only ones at the hearing were Waukegan representatives. The villages knew nothing of the ICC's decision until published in a Waukegan newspaper.

Representatives of the Antioch Chamber of Commerce were informed that there would be another hearing in which they could present their case, but none was called and Atty. E. C. Jacobs received notice this week that the request of the village was denied.

It was said that the commission reasoned that the number of persons availing themselves of the free bus service was evidence of their desire for the service, and that a 90-day trial would show whether they want it bad enough to pay for it.

Antioch has two methods of procedure. One is to seek an injunction from the circuit court on the basis of illegal procedure on the part of the ICC, or the merchants here can make the counter proposal to Waukegan citizens to ride the bus out to stores here and be provided free meals and bus fare home if they shop here.

What will be done is yet to be decided.

## Palatine Here Friday, Warren Here Saturday For Basketball Tilts

Returning in good condition from their holiday vacation members of the Antioch High varsity and frosh-soph basketball squads are ready for their games with Palatine here Friday night and with Warren here Saturday night.

The first is a Northwest conference game and the second with a North Suburban conference team from Gurnee.

Athletic Director Warren Polley announced that the return game with Palatine will be played there Tuesday, Feb. 14 instead of Friday, Feb. 17.

Palatine asked for the regional tournament and to get it has to accept the sectional wrestling tournament which takes place on Feb. 17 and conflicts with the Antioch game. The basketball game on Tuesday will start at 6 p. m. so that the squads can return home early and be ready for their next day's schooling.

The Palatine team is made up mostly of sophomores and has had a poor season so far.

#### Local Contractor Burned

Louis Tanner of Naber ave. is recovering from burns on both his hands and his back received Friday morning while he was talking on the telephone with his back too close to the gas stove in the kitchen. His shirt ignited, and his hands were burned when he pulled the shirt off and beat out the flames.

## Lions Seek Lease on Land at Village Park for Swimming Pool

### Ask Village Board for Contract and for Low Rates on Water Used

The Lions Club is moving forward in its plans to provide a public swimming pool for the community as evidenced in its request Tuesday evening to the Village Board for a lease of land for the pool in the village park on North Main st.

Atty Edward C. Jacobs was instructed to draw up a lease which will be beneficial to both the Lions and the village.

Dr. G. W. Jensen represented the Lions club at the board meeting and explained the plans of his organization to build both a swimming pool and a wading pool which should be completed by next June.

A map provided by the engineers, Walton and Walton, shows the location of the pool to be directly north of the Little League baseball field on the high ground. The low ground just west and far to the east of the Scout house will be used as a parking space. The village will control the parking space.

The Lions Club is preparing to sell bonds to finance the pool, and are speaking before local organizations on the project.

Dr. Jensen sought a low rate on the water to be furnished by the village. He said that the pool will use 15,000 gallons of water a day or 1,500,000 gallons during the season, which is far more than any user in Antioch. The trustees said they would give the matter consideration.

## Nelson Seeks Return to States Attorney Job

Robert C. Nelson, state's attorney, is asking re-election.

His recent announcement, placing himself as a candidate on the Republican ticket at the forthcoming primary to be held April 10.

Said Nelson:

"During my administration as State's Attorney since March 8, 1951, I believe I have conducted a vigorous and alert prosecutor's office and have surrounded myself with competent Assistant State's Attorneys at all times. Each assistant has been delegated certain responsibility and, in my opinion, has carried out his assigned tasks in a professional and honorable manner. It has been my practice to personally handle major prosecutions, and while certain cases have been unsuccessful, this office has an overall record of 83 per cent convictions in all lines of criminal prosecutions. One of the highlights of my career thus far has been the work in connection with the exposure of the horsemeat racket resulting in the conviction of the alleged ring leader of the horsemeat racket, and his sentencing to the Illinois State Penitentiary. It is to be noted that this conviction was the sole conviction in the State of Illinois of any horsemeat racketeer on a major felony basis.

"As my friends and constituents well know from previous association with me, I am married and the father of a fine boy now in the third grade of school and I make my home with my wife, son, and mother-in-law in the City of Lake Forest. I am the son of the late Judge Oscar F. Nelson of the Superior Court of Cook county, long a leader in his profession and among political and labor circles. I received my legal education at Chicago-Kent College of Law, and entered the United States Navy as an Ensign in 1942. I served in the Navy Department in Washington, D. C., and in the Southwest Pacific aboard destroyer escorts and in administrative posts before being released to inactive duty in the Naval service with the rank of Lieutenant Commander in May, 1946. I have retained by active Naval connections by performing two weeks active duty with the Navy each year, and (continued on page 10)

## Lake Villa Approves Revised Sewer Plan

The Lake Villa village board Tuesday evening approved revised plans for their sewage disposal system as prepared by Anderson and Anderson, Lake Forest engineering firm.

President Irwin Barnstable said the state approval of the plans is now necessary. Work of securing easement for sewer lines will continue, and with the exception of a case or two all property owners have agreed to grant them.

A bond issue of \$165,000 has been approved by the voters and after state approval is obtained bids for the work will be sought.

## The Antioch News

### Economic Highlights

The job of the Federal Reserve Board is an exceedingly difficult one—as delicate as it is difficult and important. To a considerable extent the Board has the power to decide how much money shall be in circulation in this country, what that money shall be used for—and how much that money shall cost the borrower, in the form of interest and discounts. Thus, it can either stimulate spending or restrain it—with all the possible impacts on the economy either course implies.

A short time ago the Board's chairman, William McChesney Martin, Jr., testified before a Senate subcommittee. He made it clear that, in his view, the current "boom" has not gotten out of hand—but that there are some warning signs that spell the possibility of renewed inflation. Speaking of housing, for example, he said: "We are convinced that we're doing a disservice to householders and to the community collectively if policies are pursued, however inadvertently, which fail to recognize the pressures for credit which make the pace so fast that the pace cannot be sustained." He also said that, while every effort should be given to achieving the highest possible level of employment, "inflation will not create jobs that can be sustained, but, quite the contrary, will undermine the stability of existing jobs and will eventually probably create two unemployed for one unemployed that might be there if we had a more reasonable pace of endeavor." It is evident throughout Mr. Martin's remarks that the Board is watching developments in the field of credit with the utmost care.

Such developments and considerations as these will have a potent influence on the economic state of the nation in the year we are beginning. They are given full consideration in a forecast of what 1956 will probably bring, which appears in U. S. News & World Report of December 9.

The article begins: "All records for spending are likely to be broken in 1956. After a rapid rise in 1955, the total of spending will average still higher in the year ahead."

"The pattern and direction of that spending, however, probably will change."

The principal fields in which declines are anticipated, the report goes on, are automobile sales and residential construction—due, at least in part, to tighter credit. That, obviously, will leave more money in the hands of consumers for other things—everyday living things, such as clothing and food. It is also believed that there will be much more spending for vacations, travel, and various other desired services.

Total 1956 spending (which is formally known as the gross national product) is put at \$392,400,000,000 by U. S. News, as compared with an estimated \$387,100,000,000 for 1955. Currently spending is running at close to the \$400,000,000,000 a year rate, but it isn't expected that this will be maintained.

It's interesting to note who will do the spending, and in what amounts. Individuals, the U. S. News forecast says, will account for \$258,800,000,000—well over 1955. Business will spend \$56,000,000,000—under 1955. Government will enter the picture to the tune of \$77,000,000,000—the same figure as in 1954, but some \$1,400,000,000 above 1955.

\* \* \*

### Grass Roots Opinion

KNOXVILLE, IOWA, EXPRESS: "What would happen if all the government aid was knocked out entirely? Wouldn't everything be in the same position? Maybe you wouldn't get a lot of things you are getting now, but you wouldn't have to be paying out most of what you can make in government taxes either. Finally you have to pay for everything that you get. The government or the state has nothing."

FAIRMONT, W. VA., MONONGAHELA NEWS: "Business men in America always have accepted risk as part of the price of freedom, and part of the price of successful business operations. But nobody willingly is going to take risks unless there is a good reason, a strong incentive, for doing so."

RUNGE, TEX., NEWS: "Given time and a lot of it, even a Government eventually learns a thing or two. For example, the U. S. Government plans to buy surplus pork, but instead of placing it in storage, it will supply it to school children and needy persons."

CLEVELAND, MISS., NEWS-ENTERPRISE: "One of the strangest notions that can pervade a people is that the state has money of its own—and nowhere, perhaps, is that notion more firmly fixed than in the United States. This is in face of the fact that it is very clearly evident to anyone who will just stop a moment and think that there is no such thing."

### The Low Down From Hickory Grove

When I see in the papers where Congress is being asked for more do-re-mi for "props" I take my typewriter in hand and vent my feelings. Here we are oozing cotton, corn, wheat, and etc. from all our pores and the Gov't's Commodity Credit Outfit asks Congress for another 2000 million in cold cash to buy more stuff to store. The CCC already has 10,000 million dollars but figures it will be used up by November, so asks for another 2,000,000,000. Oh! me!

The odd thing about the whole "prop" idea is that nobody seems to get het up about it. Congress just hears from the ones "for" the adventure into theory—it hears from too few who know that this prop cash is our money. Twenty years ago we gave the old guffaw to the idea of Mr. Wallace and his cuckoo plans. Today we give 'em the nod—say nary a word.

But we have one pal in Govt. who knows beans—also corn, wheat, etc.—he is doing his best to get us off the hook. Mr. Ezra Benson from the land of the Saints—Utah—he is the rugged person deserving of 3 cheers and an encouraging word. I doff my chapeau to the gentleman.

Yours with the low down,

## Lake Villa.

Mrs. C. B. Hamlin, Correspondent  
Tel. Eliot 6-3344

Guest minister at the Community church last Sunday was Rev. Wm. Kirkland, associate professor of Theology at Garrett Biblical Institute as Dr. Irwin, who was supposed to come was ill. Rev. Kirkland's subject was a very timely one, "The Changing and the Abiding."

Cedar Lake Camp Royal Neighbors will hold its regular meeting at the village hall on Tuesday evening, Jan. 10, and plans will be made for installation of officers on Tuesday evening, Jan. 31. At the first meeting in February, the names of secret pals will be revealed and new names drawn.

George Helm, a long time resident of Lake Villa, is a patient at Condell hospital and underwent surgery last week. His son, Clyde, and family of Champaign, and his daughter Phyllis and family who live near Chicago are at the Helm home and assisting in his care.

Mr. and Mrs. M. J. Connell spent New Year's Day in Evanston with Mrs. Connell's sister, Mrs. George Mitchell and family.

Mrs. Helen Grisley of Salt Lake City is guest of Mr. and Mrs. M. J. Connell this week.

The V. F. W. of Lake Villa sponsored a New Year party at the fire station and had a very good attendance. The evening was spent in dancing and social time. Refreshments were served.

Later information from Condell hospital tells of the death of George Helm early Monday. Funeral services were held Wednesday at 1:30 p. m. from the Peterson funeral home in Waukegan and the body taken to Chicago for cremation. His widow Marjorie, a hostess at Great Lakes Naval Station survives, besides his son, Clyde and daughter, Phyllis, also three grandchildren.

Mrs. Frank Emerson and Mrs. J. York are happy in doing volunteer nursing at Downey every Friday evening.

The Emerson families enjoyed a Christmas reunion and dinner at the John Emerson home at Wilmet, Wis. on Christmas Day.

Mrs. J. York and Mrs. Frank Emerson will finish their fifth year as instructresses at Sunset Chapter O. E. S. in Chicago and their resignation will take place in June.

Mrs. J. York, Mrs. M. Wilson, Mrs. Frank Emerson and Mrs. John Emerson will bowl at Antioch on Jan. 8.

Mrs. Anna Nader who was a patient at Condell hospital last week was able to come home on Thursday, and her daughter, Mrs.

Pauline Schneider and family of Chippewa Falls, Wis., were with her over the week end.

Mr. and Mrs. Gus Swanson who formerly operated a business at what is now the Perry Auto Parts, and who now live at Glenwood, Arkansas, are visiting their daughter, Mrs. Evelyn Bjerstedt of Waukegan over the holidays. Another daughter, Mrs. Ruth Mawman of Lake Bluff accompanied them one day last week to call on Lake Villa friends and they were dinner guests of Mr. and Mrs. Kaurin Karolius.

Mrs. Frank Hamlin, a patient at the Redell nursing home in Zion, and her sister, Mrs. Harriet Ballenger have received word of the birth of a 7 pound daughter to Mrs. Hamlin's daughter, Mrs. A. L. Jennings and husband who live in Norton, Mass., on Dec. 31.

Mr. and Mrs. Carl Reinebach were guests of Mrs. Reinebach's sister, Mrs. Joe Eberler and husband at their home in Grayslake on New Year's Day.

The Lake Villa Woman's Club The annual Christmas party and pot luck supper of the Lake Villa Woman's Club was held at the lovely home of Edna Dalgard December 20.

Mrs. Dalgard, hostess, and co-hostesses Mesdames Ben Cribb, Dorothy Langbein and Zelma Nickerson served the delicious pot luck supper to the three guests, Mrs. Helen Avery, Mrs. Lester Hamlin and Mrs. Rose McCord and the 27 members attending.

The business meeting was cut short and the playing of games got under way. The winner of each game chose a Christmas present

## Wilmot

Mrs. Herman Frank, Correspondent  
Tel. Trevor 2752

Pfc. Freddie Rausch, Woodbridge, Va., is spending his furlough with his parents, Mr. and Mrs. John Rausch.

Mr. and Mrs. Elmer Rasch and family, and Mrs. L. Sweet spent New Year's with Mr. and Mrs. Ervin Rasch.

Mr. and Mrs. Walne Tilton and family were Thursday evening guests of Mr. and Mrs. Ervin Rasch. Mr. and Mrs. Cyril Pacey and Susan, Gene Becker spent New Year's with Mr. and Mrs. Loren McGee, Genoa, Ill.

Mr. and Mrs. Cyril Pacey, and Miss Anna Kroncke spent Monday at Milwaukee with Mrs. Jacob Kroncke.

Mr. and Mrs. John Ehler and Mabel, and Mrs. Tony Senkerik and family of Ringwood spent Tuesday afternoon with Mr. and Mrs. Cyril Pacey.

Mrs. Millie Darby, Mrs. Matt Hahn, Mrs. Donald Kreuger and sons, Allan and Robert of Kenosha, Mrs. William Wolff, Washington, D. C. spent Tuesday at the Schubert-Albrecht home.

Edna Otto, Jacqueline Miller and Barbara Schubert accompanied Joyce Nelson to visit Carol Hockney, at Silver Lake, New Year's Day.

Mr. and Mrs. Harvey Brown called on Mr. and Mrs. Lee Hasselman, Pleasant Prairie, Wednesday evening.

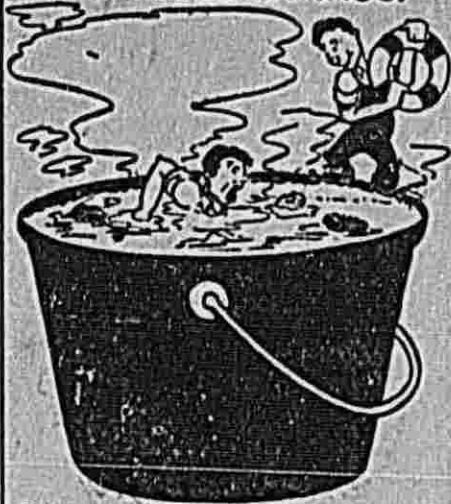

Mrs. Dan Fleming spent Thursday afternoon with Mrs. Herman Frank.

Mr. and Mrs. Frank Zarnstorff, Sr. were New Year's guests of Mr. and Mrs. Clifford Schaal, Powers Lake.

Sales Tax Up in September  
Village sales tax for the month of September amounted to \$3,866.17 for Antioch, according to the report of the treasurer of the State of Illinois. This month Antioch was ahead of Fox Lake which received \$3,370.41. In the first month Fox Lake obtained more.

## Announces New Farm Lease

A new livestock-share model lease form for use by farm landlords and tenants has been resigned by the University of Illinois, reports Farm Adviser Ray T. Nicholas. The lease is a simple but complete form that suggests arrangements that can result in more profits from a rented farm and better landlord-tenant relations.

It looks  
high priced

...but it's the '56 Chevrolet!

THE NEW BEL AIR SPORT COUPE—one of 19 high-priced-looking Chevrolet models.

Who wouldn't mistake this handsome new Chevrolet for a high-priced car!

It looks strictly "upper bracket" with its bold new Motorama styling . . . its longer, lower hood . . . its proud new grille that spans the full front end.

Even the details would do credit to an expensive car . . . like the sleek, high-fashion taillights (the left one hides the gas cap!).

But, even beyond the costly appearance of its Fisher Body, Chevy gives the high-priced cars a run for their money. For it's

one of the few great road cars built today!

It brings you the added security of nailed-down stability on turns and lightning acceleration for safer passing. Horsepower now ranges all the way up to 205! All engines now have hydraulic-hushed valve lifters.

Of course, Chevrolet has safety door latches in all models. In addition, you can have seat belts, with or without shoulder harness, and instrument panel padding at extra cost.

There's a new Chevrolet just made for you. So come in and highway-test it.

## ST. IGNATIUS' CHURCH TO HOLD ANNUAL PARISH MEETING JANUARY 15

The annual parish meeting of St. Ignatius' Episcopal church will be held Sunday, Jan. 15, at four p. m. at the church hall. Election of members of vestry will be held and reports of all church organizations will be given.

## MR. AND MRS. H. D. GASTON ARE PARENTS OF SON

Mr. and Mrs. Harold D. Gaston are the parents of a son "Richard Paul," born Jan. 3 at Victory Memorial hospital, Waukegan. The little boy weighed 4 lbs., 14 oz. The Gastons have a five year old daughter "Ellen Marie." Mrs. Gaston is the former Miss Mildred Ernst, daughter of Mr. and Mrs. William Ernst, David st., Antioch.

## Mrs. Earl Hays Hostess To Garden Club Monday

The Garden Club section of the Antioch Woman's club will meet at 1:30 p. m. Monday at the home of Mrs. Earl J. Hays, 700 N. Main st. Mrs. Harry V. Roberts of Lake Bluff will be the guest speaker and will talk on "The Care of the African Violet." Mrs. O. I. Onstad, chairman of the section, points out that this plant enjoys great popularity among house plants, but many times its lovers lack the rich luxuriant foliage and blooms because of lack of knowledge.

## ALTAR & ROSARY SOC. TO INSTALL OFFICERS JAN. 9

St. Peter's Altar and Rosary Society will install Mrs. Robert Berg as its president, at a meeting to be held January 9 at the St. Peter's school hall. Other officers to be installed are Mesdames Joseph Stefano of Lake Villa, vice president, Ruth Peters, secretary, and Walter Delaney, treasurer. Mrs. Thomas Pechousek, the outgoing president will open the meeting and complete reports by various committee chairmen will be given. The installation will take place according to the ritual of the Archdiocesan Council of Catholic Women. Refreshments will be served following the installation ceremony.

## Parents of Twin Boys

Mr. and Mrs. Fred Thies, Jr., of Channel Lake are the parents of twin boys, Jeffrey Scott and Jonathan Scott, born December 27 at Condell Memorial hospital, Libertyville. The Thieses have two other children, Ricky 12, and Patti 4. The paternal grandparents are Mr. and Mrs. Fred Thies, Sr., of Channel Lake and the maternal grandparents are Mr. and Mrs. Thomas Piefer of Maywood, Illinois.

Mr. and Mrs. John Christianson and family returned home recently after a visit with relatives at Kalamazoo, Mich.

## Engagement Announced

Mr. and Mrs. George W. Gorski of Grass Lake have announced the engagement of their daughter Arline Ann, to Mr. Donald Richard Mattson, son of Mr. and Mrs. A. Stewart Mattson of Prairie View, Illinois. No wedding date has been set.

Mr. and Mrs. B. Donald Brown and son, Gregory of Brewerton, New York, are spending a ten day vacation with Mrs. Brown's parents, Mr. and Mrs. Charles Davis of Indian Point, Antioch.

Mrs. Effie Nelson entertained her bridge club Tuesday afternoon at her home on Victoria street. Prizes were awarded the winners of highest scores.

Mr. and Mrs. M. M. Stillson and daughter Dee, returned home after vacationing with relatives in South Dakota.

Mr. and Mrs. J. J. Rhymer, Rte. 21, Antioch, entertained their daughter, Mrs. C. W. Wilkoff and family of Urbana over the holidays.

Wayne Bailey, son of Mr. and Mrs. S. W. Bailey of Loon Lake rd., returned to college at Lake Forest Tuesday, after spending the holidays with his parents.

Tod Maplesworth spent the holidays with the Richard Scott family at Sycamore.

Mr. and Mrs. Robert Berg entertained Mrs. Berg's sister, Miss Ann Puzak of Minneapolis, Minn., over the holidays.

Antioch Assembly Order of Rainbow for Girls will hold its annual meeting at 7 p. m. Friday, Jan. 6, at the Masonic Temple. All master masons and Easter Star members interested are invited to attend this meeting.

There will be an important board meeting for all officers of the Lakeside Girl Scout Council on Tuesday, January 10th at 1 p. m. in the home of Mrs. Elizabeth Storch, president.

Mr. and Mrs. Howard K. Gaston and family were New Year's Day dinner guests of Mr. and Mrs. Clarence Hoffman at their home in Wheeling.

Mr. and Mrs. C. R. Keulman and daughters, Charlene and Bonnie, and Miss Elaine Christensen, daughter of Mr. and Mrs. Otto Christensen, left Antioch Dec. 21 for the Florida Keys, where the Keulmans operate a motel. Charlene and Elaine, after spending the holidays there, flew back to Antioch to resume their studies at the Antioch high school.

The North Lake County Chapter of the American Red Cross is offering the Instructor's Course in First Aid beginning Thursday, Jan. 12, at 7:30 p. m. at the Grayslake High school. Anyone who has received a certificate in Advanced First Aid within the past 3 years is eligible to attend this course.

A Son for Robert Kufalks Postmaster and Mrs. Roy Kufalk are grandparents for the third time—all grandsons. A son was born Dec. 22 to their son, Robert Kufalk and wife at Byron, Ill. It is the second child in that home. The mother was formerly Miss Beverly Cleveland.

Dr. Calvin P. Midgley will speak on "Mormonism," at a meeting of the evening circle of the Women's Society of Christian Service of the Methodist church Thursday evening, January 12 at the home of Mrs. Jane Coddington, 735 North Main st. Mrs. Barbara Francisco, 1037 Victoria street, will be assistant hostess. Mrs. Robert Irish, president of the group will call the meeting to order at 8 o'clock.

A regular meeting of the Women's Society of Christian Service was held at Wesley hall Wednesday afternoon with a dessert luncheon at 1 p. m. Devotions were given by Mrs. D. N. Deering. Mrs. John Wagner spoke on the subject "The Changeless Gospel in Revolutionary Age." Mrs. Herman Grenzman and her committee were hostesses. Miss Alice Smith conducted the missionary study class beginning that day at the church.

Blackmen in Florida Village Trustee and Mrs. John Blackman are on a vacation trip to Florida. With no definite destination they said they were going far enough south to find warm weather.

among the most common defects at the ages under 21, with the more seriously crippled cases probably numbering about 500,000. It is estimated. The largest single category consists of those suffering residual effects from poliomyelitis, with clubfoot ranking second, and crippling due to accidents third.

Other major causes of physical impairment at these ages include heart disease, chiefly of rheumatic origin, cerebral palsy and epilepsy, and defects in vision and hearing, each adding considerably to the total of impaired young lives.

In addition to those physically handicapped, many children and adolescents have personality defects or mental disorders that are a threat to their future life and happiness.

Thanks to the advances in medicine, surgery and methods of rehabilitation, many of these young people affected by various physical and mental impairments can overcome their handicaps, at least in some degree.

## Police Chief Finds Stolen Items Pronto

CAMDEN, Me.—Police Chief John Rainfrette gave unusually fast service after service station operator Olle Dore reported three car mufflers stolen from in front of his station.

Rainfrette took down the complaint, then jumped into a patrol car to start searching for leads on the missing mufflers. He was somewhat startled to find them in the rear seat of the patrol car.

It turned out that the night police crew had found the mufflers lying in front of the gas station and took them to headquarters for safe keeping—but forgot to tell the chief.

## Here's a Genuine Checker Enthusiast

MANGRUM, Okla.—W. E. Weaver is a real checker enthusiast. He loves the game and didn't like the fact that he wasn't able to find enough opponents to play with him.

So he got desperate—he bought a grocery store and installed a table and a couple of extra chairs to attract some opposition.

Among his customers, Weaver is able to snare a few checker players and keep the checker board busy.

## Shortage Cited

CANBERRA, Australia—If you think nowadays a good man is hard to find, you haven't seen population figures on Australia recently. A good woman, or any woman, is hard to find.

Figures released by Federal statisticians show that there are now 113,474 more men and women in the country.

Australia's total population is now 9,201,034.

## 30 Acre Site Given As Addition to 4-H Camp Near Kankakee

Camp Shaw-Waw-Nas-See's board of directors have accepted a gift of 30 acres of wooded land adjoining the present 70 acre 4-H camp site located along Rock Creek, 9 miles north of Kankakee, it was announced by Ray T. Nicholas, Lake County Farm Adviser.

Nicholas pointed out that the donor of the tract of land wishes to remain anonymous. "This gift makes a much needed addition to the 4-H camp. It is with deepest appreciation that the board accepts it," he said. Lake County's 4-H Club campers will be pleased to know of this fine addition to their camping site.

The 30 acres of land extends the camp's northern border one-fourth mile east along the creek. A portion of the land is unimproved brush and timber which will be used for nature study.

The farm adviser said, "The additional quarter mile frontage on Rock Creek will do much to beautify the camp and the land will be a valuable addition to the camp's hiking facilities."

Nicholas said that for some time the board has eyed a portion of that land in hopes that some day the camp would have enough funds available to purchase it. "Now we have the entire tract as a gift. It's the nicest Christmas gift the camp could receive," he said.

The camp, now swelled to the size of 100 acres, serves rural children and families in 20 northern Illinois counties. The 4-H boys and girls from the area have a six week camping period. Rural Youth and Homemakers Camp are also held at Camp Shaw-Waw-Nas-See.

The camp was started in 1946 with 50 acres donated by the Public Service Company. Then in 1949 the camp directors purchased 20 acres bordering the falls along Rock Creek.

Approximately 2,000 people attend camp throughout the summer, with the vast majority being 4-H'ers. There is cabin and dining facilities for 300 campers plus the staff. The girls have 14 cabin units and the boys have eight.

It has been estimated that approximately \$118,000 has been spent at the camp for grounds improvements and buildings since 1947.

Besides the cabins, there is a large dining hall, crafts building and recreation building. Money for the buildings and improvements

comes from donations from the state and national committees on Boys and Girls 4-H Club Work and from 4-H members and friends in the individual counties served by Camp Shaw-Waw-Nas-See.

## "Girl Meets Boy" Mon. in Basketball Game Featuring Red Heads

The colorful, sensational All-American Red-Heads—Queens of Big Time Basketball will appear in Antioch Monday, Jan. 9. Rated as America's greatest basketball attraction, the famous feminine cage stars will be a top attraction. Basketball fans will have a chance to see the girls when they clash with the Antioch Scouts, former Antioch Sequoit stars.

Olson's All-American Red Heads have played to over 5,000,000 fans. Organized in 1936 by the great "Ole" Olson, owner and star of "Olson's Terrible Swedes." The Red-Heads have toured the U. S. A., Canada, Mexico, Philippines—and at present booking U. S. A., Canada, Alaska and Hawaii. Olson's World Champs play 180-200 games each year—that means on an average a game every night for the most talked about feminine athletes—darlings of the hardwood court, Olson's female basketball wizards—the All-American Red Heads.

Undisputed "world champions girls' professional basketball club"—the Red Heads feature the top basketball talent available anywhere.

International Court favorites, the Red Heads have acquired a worldwide reputation for clever plays, good basketball, and side-splitting comedy antics, routines and novelties. Featured in many national magazines and publications, the famous Red Heads play men teams only—straight men's rules. 1953 Red Heads top record against men teams won 134 out of 190 games played.

The present Red Heads aggregation feature girls from Arkansas, Oklahoma, Iowa, and Louisiana. Be sure to see the Fabulous Red Heads on Jan. 9, at Antioch High School gym, when they tangle with the local stars.

The Red Heads will appear here under the sponsorship of the Antioch Chamber of Commerce. Funds derived from the sale of tickets will be used to promote Antioch as a resort center. The Chamber plans to obtain a booth at the coming Sports and travel show to be held in Chicago early in February.

## Doctors Borrow Heart in Unique New Operation

NEW ORLEANS—Taking its cue, perhaps, from Cupid, medical science has gone into the business of "borrowing" hearts.

In a little more than a year and a half, 43 children underwent operations with the aid of "controlled cross circulation," a technique that "borrows" the heart and lungs of one person so that surgeons may repair defects inside the heart of another. Approximately two-thirds survived and now have comparatively normal hearts. Without surgery, few could have been expected to live to maturity.

Progress on the new dramatic technique was presented to a scientific session of the American Heart Association by members of the University of Minnesota team that originated the procedure and first used it with a human patient in March, 1954.

Controlled cross circulation creates a complete by-pass of the patient's heart. The amount of blood is reduced to a minimum, giving the surgeon a direct view of the site of operation. He can thus go deep inside the heart to repair such previously inoperable defects as abnormal openings in the muscular wall separating the heart's right and left sides. Most of the operations performed by the Minnesota group were of this type.

A simple mechanical pump helps transfer blood from the patient's veins to the donor (usually a parent or other close relative) so that it may pick up oxygen in the donor's lungs before being returned to the patient's arteries. The supply lines to the patient's heart are tied off so that no blood gets to its chambers.

## Care of Impaired Children a Problem

NEW YORK—Reduction of mortality at the younger ages as a result of the control established over infectious diseases makes it possible to focus greater attention upon the care and rehabilitation of the large number of children and young people in the United States who are physically or mentally impaired.

Orthopedic impairments are

### Dairy Farmers Given More Time to Request New Producer Status

Dairy farmers who ship Grade A milk to the Chicago market will have an additional 15 days to request a "new producer" status under the level production plan of milk production.

A. L. McWilliams, general manager of Pure Milk Association said today that the U. S. Department of Agriculture announced the extension of the deadline. Previously the deadline on requests was Dec. 31. The time was extended to Jan. 15. Requests must be made to the Federal Milk Market Administrator of Order 41 in Chicago.

The level production plan is a part of the regulations of the Federal Marketing Order 41. This Order regulates Grade A milk handling in most milk plants in Wisconsin, Northern Illinois, and Northwest Indiana.

Under the level production plan each dairy farmer sets a "base" through an average of his milk production during the months of September, October and November. This base or average production receives a higher price during the months of March, April, May and June. All milk produced over the base during these months receives

an "excess price" which is 40 cents a hundred lower.

A dairy farmer may request a new producer status if his base is extremely low. Under the new producer status 65 per cent of his milk production, regardless of volume, will receive a base price in March; 60 per cent in April and 55 per cent in May and June. The rest of the milk will receive the excess price.

The extension in the deadline on applying for a new producer status was requested by Pure Milk Association during a Federal hearing held in Chicago on July 5.

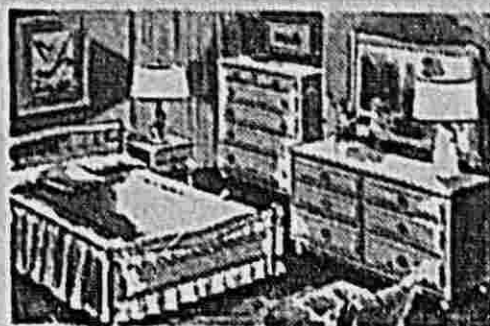

### Urges Aid to Koreans

Staff Sgt. Edward Loftus is home from air force duty in Korea visiting his grandmother, Mrs. Eleanor Edgar and his sister, Mrs. Robert Mortensen. He reports that winter has made for hardships among the natives of Korea that are unbelievably bad. He asks that readers send long underwear to the 602nd Comm. Sq., APO 970, San Francisco, Calif., where the men will distribute it to the needy. They are especially interested in six orphan-ages.

### \$250,000 Fire at Grayslake

The Wilbur Lumber Company yards at Grayslake were destroyed by fire that started at 9 p. m. Saturday. It was the 56th year to the very New Year's eve that the yards were destroyed once before. At that time one man was killed. The Antioch department was not called, as were other departments in the area, but stood by to protect Lake Villa and Fox Lake whose departments were called.

### Many Worry About Heart Needlessly Since Ike's Attack

MINNEAPOLIS—Out of the many thousands of worried people seeking examinations by heart specialists, two out of every three persons will find they have been worrying over false symptoms mistakenly associated with heart impairments, says the medical department of a large insurance company.

Since the President's attack, many specialists report a sharp increase in requests for heart checkups. This is a wise precaution; if one's heart is impaired, the earlier this is discovered the better the chances of complete cure. If it is not impaired, a peculiarly destructive worry is halted which has itself ultimately caused many serious nervous troubles and actual organic ailments.

Chest pains, either dull or of the sharp stabbing variety, do not necessarily indicate a heart condition but may result instead from a score of other causes, such as digestive disturbances, nervousness, a rheumatic condition of the spine, or neuralgia of the chest muscles due to a cold. A prompt medical examination should be undergone, however, as the symptoms may indicate some condition which calls for treatment or a change in personal habits, even though the heart is not involved.

"Fluttering" heart sensations or skipped beats often alarm people, particularly at night, but these are commonly the result of over-use of alcohol, tobacco, coffee or caffeinated drinks, or of emotional tension, fatigue, or indigestion, particularly in the younger age groups. Here, too, a change in personal habits, as advised by a physician, may be all that is necessary for relief.

### Early Map Guided Columbus' Voyage

WASHINGTON—Christopher Columbus first sailed to the New World by a map.

It was a chart of the Atlantic with the "Spice Islands," Japan, and the continent of Asia on its western side. Curiously enough, it was not a bad representation of the West Indies, Cuba, and the eastern shore of North America, considering that the man who drew it was working entirely from conjecture and vague rumors. He was the Florentine physician and cosmographer Paolo del Toscanelli,

who had sent his map to the discoverer of the New World 18 years before the first momentous voyage.

A map showing the actual journey of Columbus through the Bahamas is a feature of an exhibit at the U.S. National Museum, Smithsonian Institution, illustrating with original materials Indian life among the historic tribes of Latin America. A notable part of the exhibit is a reconstruction of a Lucayan-Arawak village on the present Long Island in the Bahamas, called Fernandina Island by Columbus.

### Motorist Wins Right To Drive 1926 Auto

HAGERSTOWN, Md.—A 63-year-old motorist defended and won the right to drive his 1926 Oakland, which he says will continue to operate until "it falls apart."

It started when the car ran through a red light. Patrolman H. M. Snyder said the brakes of the 29-year-old vehicle were inadequate. Owner John Lulpersbeck said it wasn't so.

The policeman said he tested the brake pedal and it went clear to the floor. Lulpersbeck said the Oakland had mechanical brakes and was not moving when the officer tested it.

Magistrate William Kreykenbohn ruled Snyder had made no case against the brakes of the car, which owner Lulpersbeck fondly referred to as "part of my family now."

Lulpersbeck didn't get off completely, however. He was fined \$15—for going through a red light.

### Drained Moonshine Trapped by Officer

CHATTANOOGA — When County agents raided the home of Bob Renfro, they reported, Renfro hurriedly tried to dispose of his moonshine by the time-tested method of pouring the stuff down the sink.

What Renfro didn't know, the officers added, was that Chief Deputy Herbert Grant was waiting with a jug at the other end of the drain.

Renfro was held for grand-jury action on bootlegging charges.

### Permanent Camp

WASHINGTON — The Army has announced that Camp Polk, La., one of World War II's busiest camps, has been reopened on a permanent basis.

At the same time the Army said that Polk, which will now be known as a fort, will be the center of large scale maneuvers for at least 15 years as the result of an agreement reached with the State of Louisiana.

### Gurnee Youth Gets \$50 Bond for Enrolling 11 New 4-H Club Members

Lowell Dixon, 11, son of Mr. and Mrs. Laverne Dixon, Gurnee, and a member of the Gurnee Aggies 4-H club, was the first place winner of the \$50 bond in the 1955 4-H Club membership campaign. Lowell enrolled a total of 11 new members, 10 of whom completed their projects to receive this award.

Second place winner of a \$25 bond was Patricia Jeevecius, 14, a member of the North Prairie 4-H club. Third place winner of \$10 was James Malmstrom, 13, also a member of the North Prairie 4-H club.

Sixteen members competed in the 1955 4-H Club membership enrollment campaign, and enrolled a total of 44 new members.

A new membership enrollment campaign is now in progress.

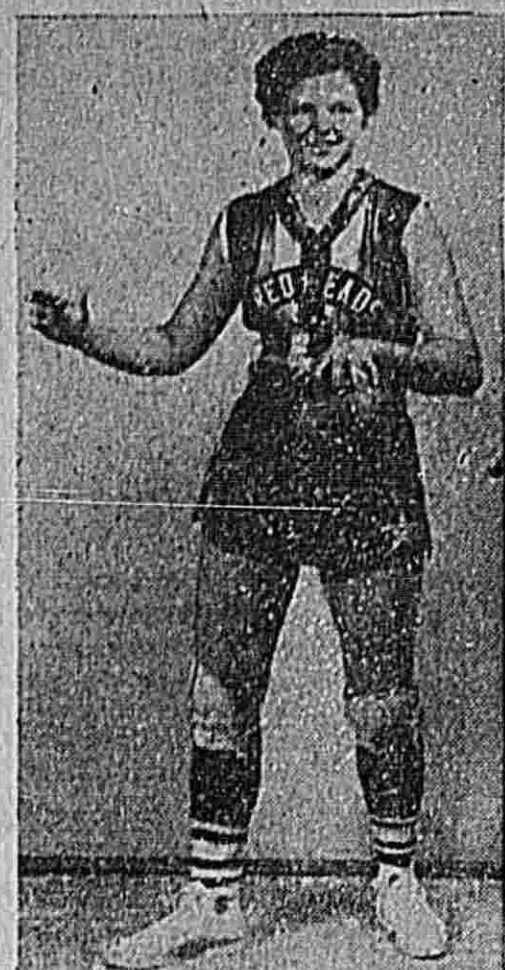

Awards will be presented to the Agricultural Club members who enroll the most new members in Agricultural 4-H Clubs between now and June 1, 1956.

The rules state that credit will be given only for members not previously enrolled in any 4-H Club anywhere.

Second year members of home economics clubs enrolled in an agriculture club as a first year member will not count as a new member.

Enrollment cards may be obtained from Ray T. Nicholas, Lake County Farm Adviser, or any of the Agricultural 4-H Club leaders.

### Red Head "Ball Hawk"

KATHERINE PITCOCK

Katherine Pitcock, Red Head "Ball Hawk" is from Celina, Tenn. This gal will cause many veteran basketball fans to blink their eyes in disbelief over the way she takes on a man-sized job. But have no fear, this rugged attractive guard will take care of assignments when the All American Red Heads Girl Team plays the Antioch Scouts, local men's team in the Antioch High School Gymnasium at 8 p. m. Monday, January 9.

### Deep Lake

Mrs. Millie Luehr, Correspondent  
Eliot 6-4946

Mr. and Mrs. Ralph Sanders gave a New Year Eve cocktail party. Guests were Mr. and Mrs. Ben Cribb, Mr. and Mrs. Barney Weismantel, George Pennicks, Mr. and Mrs. E. O. Johnson, Mr. and Mrs. Chef Jones.

On Thursday Mrs. Myrtle Weismantel gave a brunch for Mrs. Adeline Christiansen who is now making her home here in Deep Lake. We welcome her and her husband, Bill, back to Deep Lake, and their son, William Christiansen has been

a Deep Lake resident for many years. Guests at the brunch were Adeline Christiansen, Norma Larson, Lois Olsen, Pat Thamerus, Bunny Sanders and Vi Winstead.

Mr. and Mrs. Joe Galeski's guests for the weekend were Mr. and Mrs. E. A. Boddy and children of Chicago, Dr. and Mrs. J. D. Swain of Chicago. On Monday their mother, Mrs. Myra Galeski celebrated her birthday and on Sunday they had their birthday dinner at the Rustic Manor. Monday they called on Mr. and Mrs. Frank Luehr for New Year and birthday cocktails. A card game followed.

Mrs. Edna Stevens entertained guests for the week end, Mr. and Mrs. Lee Ansberger, newlyweds of Chicago. Mr. Ansberger is former-

Then, get set for the biggest and best surprise of all! Get our price! See us today . . . make this your year to rocket away with Oldsmobile!

\*Standard on Ninety-Eight models; optional at extra cost on Super 88 models.

## One Dollar Will Buy 20 Pounds of Food for Family Through CARE

One dollar sent to CARE will help feed a hungry overseas family for one month, and at the same time will help reduce government surplus food stocks, according to Ray T. Nicholas, Lake County Farm Adviser.

"Surplus butter, dry milk, and cheese is being released by the government from its stockpile for use in special one dollar CARE packages," Nicholas reports.

"Each 20-pound CARE package will help provide a better diet for a family of five for 30 days," Nicholas says. "To hungry people overseas this food often means life itself."

The Lake County adviser added that more than one billion pounds of dry milk, butter, and cheese are stored in government warehouses.

The one dollar CARE packages will be distributed on the basis of need to people in such countries as Greece, Italy, Germany, India, and Haiti. Each package will carry the donor's name and address.

Nicholas cites a United Nations report that 70 per cent of the world's population is undernourished.

"All it takes is a \$1 contribution to CARE, 189 W. Madison st., Chicago 2, Illinois."

## Millburn

Mrs. Corena Edwards, Correspondent  
Phone Eliot 6-3323

Regular services at Millburn Congregational church January 8, include Sunday School at 9:45 a. m. and church services at 11 a. m.

## West Europe's General Health Better Than Ever

NEW YORK—Western Europe's general health, as gauged by prevailing mortality and morbidity conditions as well as by the expectation of life, is better than ever before despite the relatively short period that has elapsed since the devastating days of World War II, when there was widespread privation of food, clothing, shelter and medical services.

A survey of data from the United Nations and other sources concluded by insurance statisticians show each of the countries studied has established a new minimum death rate during the postwar period.

The death rate in France, for example, fell from 13.5 per 1,000 in 1946 to 11.9 in 1954, as compared with 15 per 1,000 in the immediate prewar period. Similarly, in Italy the death rate was reduced from 12.1 to 9.0 per 1,000 between 1946 and 1954, which compared with an average of about 14 per 1,000 in 1937-39.

New low death rates were cited for Austria, Belgium, Denmark, Western Germany, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland, England and Wales, and Finland. Correspondingly, many of these countries also reported new records for expectation of life.

The excellent postwar health record of Western Europe may reflect, in part, the weeding out of impaired lives during the war. But generally the gains have resulted mainly from such planned activities as the restoration, soon after the war, of medical, hospital, and public health services, and the subsequent expansion and improvement of these services.

Wide use of the recent advances in medicine, including the antibiotics and other drugs, and greatly increased food supply which has raised nutritional level of the population also have been important factors, it is noted.

## Diamond-Studded Smog Investigator

LOS ANGELES—A balloon-borne "diamond-studded" device which etches meteorological data on a smoked glass plate is one of the latest instruments being used in smog studies.

Developed by Don T. Hilleary, UCLA meteorologist, the device is known as a meteorograph.

The instrument was brought into the smog picture by the Air Pollution Foundation and three such will be used in Los Angeles County to probe the invasion layer. This is the layer of hot air over cold air that periodically traps pollutants in the Los Angeles basin, trapping smog.

Heart of the instrument, which is designed to be attached to a captive balloon, is a tiny "railway" car. The car, which is drawn by a clock mechanism, moves along at the snail's pace of a quarter of an inch an hour. The smoked glass plate is carried by the car and thus data is plotted on it against time.

Three mechanisms register, respectively, temperature, pressure and humidity. A recording arm with a diamond point is attached to each mechanism and etches responses from the mechanisms on the smoked glass plate.

## Motorist Wins Case Against Speedometer

OKLAHOMA CITY—A jubilant Oklahoma City motorist was cleared of a speeding charge after a blushing motorcycle officer admitted in court that his speedometer registered 10 miles too fast.

The unusual event came about when motorcycle Officer A. G. Odom, Jr., arrested William Harold Parchman, 43, on a charge of speeding 45 miles an hour in a 35 m.p.h. zone. Parchman protested so strongly that the officer agreed to check his equipment.

"I hate to confess it publicly, but it was my speedometer that was wrong, Odom admitted before Traffic Judge James Demopolis.

## Conversation Agent Surprised at "Deer"

POPLAR BLUFF, Mo. — Roger Blesmeyer, a State conservation agent, was naturally surprised when a man called from nearby Neelyville, Mo., to report that he had a deer locked in his barn.

But, Blesmeyer got a bigger surprise when he arrived at the farm to check the story. "When I walked into the man's barn," he reported, "there was the prettiest little billy goat I've ever seen. A 50-mile drive to identify a billy goat!"

In Strictest Sense  
ALBUQUERQUE, N.M. — When the 1955 New Mexico State Fair was ready to open for business someone noticed a two-foot high raised sign on a building which read: "AMATEUR ART."

As the sign was being changed, one fair official mused, "looks like we may also have some amateur spellers."

## Condell Hospital Ready For \$92,500 Campaign Over Next Forty Days

The campaign organization for the Condell Memorial Hospital is rapidly taking form, according to announcement of Glenn G. Hoskins, general campaign chairman.

Division "B," known as the Trail Blazing division, is being organized into five groups of volunteer workers and each group is to be headed by a chairman. Roy E. Buskirk, superintendent of Libertyville schools, is chairman of the division and reports his group chairmen to be Robert S. Betten, president of Hershey Manufacturing Co., P. W. Gustafson, president of Gustafson Motors, Inc., Walter A. Herf, grain broker on the Chicago Board of Trade, Atty. Alfred W. Lewis of Overholzer and Lewis, and E. Grant Pinney, vice-president, First Lake County National Bank of Libertyville.

Henry J. Reichwein, president of the First State Bank of Libertyville, is serving as associate chairman to Buskirk.

Two large geographic divisions of volunteer workers are being mobilized for complete coverage of Libertyville and Mundelein. The General Sales division of Libertyville is being headed by John M. Littler, manager of the Illinois Bell Telephone Co., as chairman. Mrs. Ralph L. Beyerstedt, 418 Ames st., Libertyville, is serving as vice-chairman.

The General Sales division of Mundelein is headed by Chas. W. Carroll, advertising and sales manager of the G-M Laboratories, Inc., as chairman. Raymond C. Kublank, vice-president of the First National Bank of Mundelein, is the division's vice-chairman.

The large and active Auxiliary of Condell Hospital, including the Mundelein unit, will be very active in the geographic divisions of the campaign.

### Auxiliary Reduces Indebtedness

The Auxiliary has done its part to reduce the indebtedness of the new maternity wing. In the past year, the Women's Auxiliary has continued its constant effort to improve the hospital and all it has to offer to the surrounding communities.

The record shows that it has spent \$145 for a Tomac Infanette Unit; \$20 for an E and J free-hand incubator; \$171.21 for draperies in the new nursery and in the maternity wing; \$1,572 to furnish two complete rooms in the new maternity wing; \$148.27 for an Oxygen Analyzer; \$985.33 to refurbish the second floor nurses' quarters with painting, wall-papering, installation of tile floors and showers, new drapes and slip covers.

In addition, the Auxiliary has provided a Social Service Fund, to be used at the discretion of the hospital administrator, the doctor and the Auxiliary president, in the amount of \$68.75.

The most recent project of the Auxiliary has been the Volunteer Training group known as the Pe-wasciz—high school girls who give a minimum of two hours work each week as aides in the hospital. The Auxiliary has furnished pinafors for the girls, and at the end of the year will provide a three-year scholarship for one girl to a nurses training school of her choice.

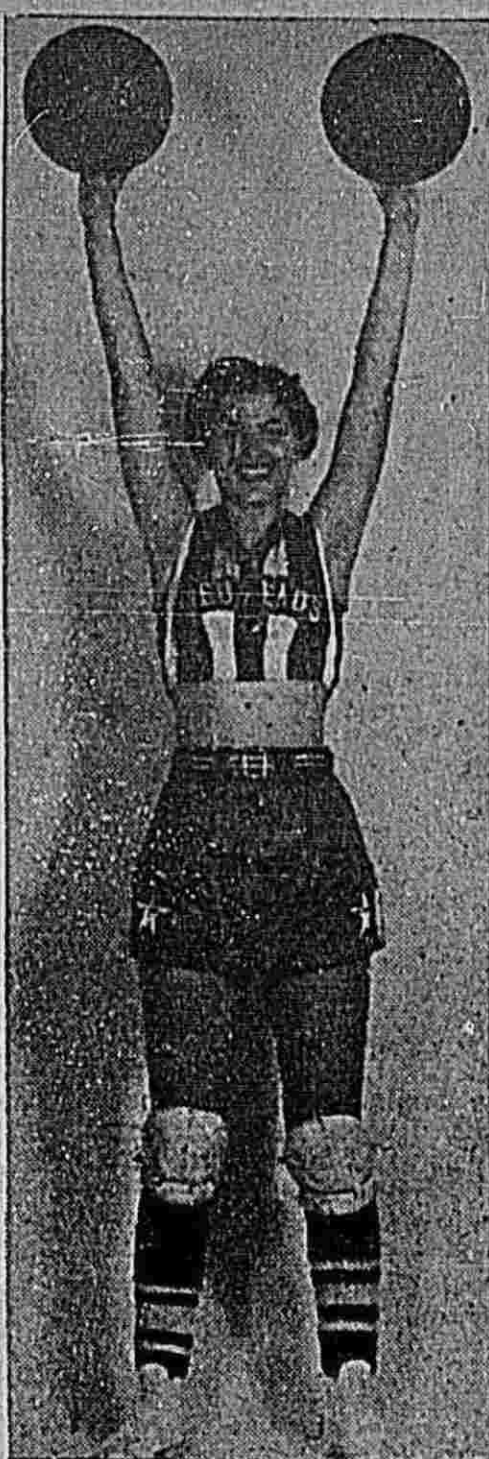

### To Pay for Maternity Wing

The membership of the Hospital Auxiliary and its Mundelein Branch totaling approximately 125 women, will make up about one-half the total number of campaign workers in the General Sales divisions of Libertyville and Mundelein.

The \$92,000 to be raised within the next 40 days will complete payment of the new Maternity wing plus cost of improvement of the old maternity ward as a pediatric section for the care of sick children.

Campaign headquarters have been established on the second floor of the Libertyville village hall. The campaign is scheduled to close Friday, February 3.

## "Georgia Peach"

NELLIE MARLOW

Nellie Marlow, the "Georgia Peach", from Pearson, Georgia. A real Southern Charmer, Marlow plays forward position for the All American Red Heads—but don't let the Charm disarm you. The famous Red Heads defeated 125 men teams in 1954 season; so, don't be taken in by a little Charm, see Marlow in action against the Antioch Scouts, local Men Team Monday, Jan. 9, at 8:00 P. M., at Antioch High School Gym.

## Hickory Corners

Mrs. Wm. Thompson, Correspondent  
Tel. 583W2

Mr. and Mrs. Howard Wells and two children from Hammond, Ind., spent the New Year's week end at the Curtis Wells and Schdek homes.

Pvt. Gerald Hunter left home on Saturday for Fort Bliss, Texas. He drove his own car back.

Mr. and Mrs. Richard Wells entertained for New Year's dinner on Monday her parents, Mr. and Mrs. Carl Zello, also her brother and his wife, Mr. and Mrs. Sam Zello, all from Milwaukee.

The Edwards road is open to traffic again.

Sunday afternoon callers at the Will Thompson home were Mr. and Mrs. Edwin Spelcher and Judy and Roger from Winthrop Harbor, also Harold Thompson of Zion.

Mr. and Mrs. Curtis Wells were New Year's dinner guests on Sun-

day at the home of Mr. and Mrs. Emil Hallwas of Antioch.

Mr. and Mrs. Lawrence Dean and family, also Mrs. Sarah Finkel of Chicago, were Sunday afternoon and supper guests at the Oscar Finkel home.

Will Welch and daughter Norma drove to Madison, Wis., on Saturday and visited the Warren Welch family.

Mr. and Mrs. Leo Lux of Wadsworth were Sunday afternoon callers at the W. Welch home.

Mr. and Mrs. Chris Paulsen of Whitewater, Wis., were callers at the Wilson King home one day last week.

Monday afternoon callers at the W. Welch home were Mr. and Mrs. Charles McArthur, also Miss Chloe Dietrich of Waukegan. Evening callers were Mr. and Mrs. Robert Sabin of Chicago and her sister, Mrs. Arthur Briet of Colorado Springs, Colo. Mrs. Sabin and Mrs. Briet are cousins of Mrs. Welch.

Mr. and Mrs. Fred Leable visited the George McNeil family in Kenosha Sunday afternoon.

Watch for the announcement

# GORGEOUS PACE

-and a figure you'll love

This new Buick SPECIAL 2-Door 6-Passenger Sedan delivers locally for less than some models of the well-known smaller cars. Come in and check!

If you think you can't afford a big-bodied, big-powered, big-muscled Buick like the one shown here—we'd like to set the matter straight.

If you can afford any new car, you can afford this strapping and stunning Buick SPECIAL Sedan—and no kidding.

For this Buick is tagged within a few dollars of the well-known smaller cars — and actually costs less than some models of those very same cars. The price we show here proves it.

So maybe you can understand why Buick—for two years running now—has outsold every other car in the land, except two of those well-known smaller cars.

But low price is just part of the picture.

Big reason for Buick's soaring sales sweep is that folks are finding here a lot more automobile for the money—more style boldness, more power thrill, more ride stability and more solid structure than the same dollars buy elsewhere.

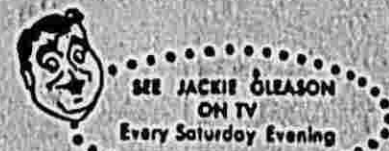

\*2-door, 6-passenger Buick SPECIAL Sedan, Model 48, illustrated. Any state and local taxes, additional. Prices may vary slightly in adjoining communities. A wide variety of extra-cost equipment and accessories available at your option.

Just ask yourself: wouldn't you rather go traveling with the lift and life and pace and poise of a stunning new Buick—when it's all yours at just about the price of a smaller car?

If your answer is yes, then the time is now—right now.

Drop in on us this very week—tomorrow would be fine—i. we'll seat you at the wheel of the biggest and most beautiful bundle of high-powered Buick ever offered in America's low-price field.

Best Buick yet

## Ice Boating Holds Interest on Chain O' Lakes

On weekends ice boats can be seen cruising on the many lakes in the Chain O' Lakes region. Shown above is a group of boats on Fox lake, where races are held by the Fox Lake Ice Yacht Club which meets at the Waltonian Hotel. These boats can attain speeds of 120 m. p. h. and have been known to reach 150 m. p. h.

## Nelson Seeks.....

(Continued from page 1)

It is said that I am the only Naval Reserve officer who has not been on regular active duty since the war who is certified as a law officer under the Uniform Code of Military Justice, the Armed Forces new judicial system.

"It is my belief that the experience which I have gained in the past almost five years is an invaluable asset in the performance of the duties of this very responsible and complicated position, and being only 36 years of age at this time I am anxious to serve my neighbors and my county for one more term before returning to the private practice of law.

"It is not difficult for one to aspire to this high position in view of its many honors and laurels. However, experience in the criminal field is essential and I invite anyone to minutely examine the records of this office or to make inquiry of me concerning my performance of duty.

"It is with pride that I state that I have never compromised either my conscience or my oath of office as State's Attorney and I am proud that my wife and young son can look upon me as an honorable husband and father and State's Attorney."

A&P will strive to bring more good food to more people for less money...
